

My name is (name)

On (day) (date) (month), I'm going to Beecraigs Festive Forest near
Linlithgow.

2023

**FESTIVE
FOREST**

BEECRAIGS COUNTRY PARK

We will be leaving the house to get there at (time).

(insert clock photo with the correct time of the session on it)

I am going with (insert names of people who are going)

Once we get there, it might be cold outside so I will need to wrap up warm.

When I arrive at the car park there might be lots of other people arriving at the same time as me but everyone will be looking forward to seeing the coloured lights.

I will walk for 5 minutes to the start of the light trail. I might have to wait in a short queue to show my ticket but it won't take very long.

Once we have shown our tickets, we will get to see lots of different coloured lights as we walk through the forest. There will be music and sounds as well but not too loud. It still might be dark in places so we can take a torch.

If I want to, I can get something to eat and drink from one of the stalls in the forest.

(If the person is bringing their own food, it may be useful to insert photos of the specific foods they'll be bringing)

If I want to, I can have a shot on a roundabout or the helter-skelter.

As I walk round the forest, I might be lucky enough to spot The Grinch. He is sometimes a little bit naughty but he is nice really.

Once we have walked around the trail, we might want to do it again as it won't take too long and we might have missed things the first time.

Then it will be time to walk back towards the car.

If we are lucky, we may even see Santa.
